MISSION STATEMENT
New Hope athletics exists to disciple emerging Christian leaders by developing their theology, ministry skills through sport, and character in the athletic arena in order to win souls, plant fruitful churches, and lead as exemplary ambassadors for Christ in the ministry and marketplace.

MOTTO
Doing sports as a “Team”

BIBLE VERSE
Phillipians 4:13 - “I can do all things through Christ who strengthens me.”

CORE VALUES
• We believe that every athlete, Christian and non-Christian alike, is valuable to God and to His Kingdom.

• We believe that doing sports as a “team” is God’s design for effective ministry.

• We believe that a simple presentation of Jesus Christ in creative ways during competition will impact and transform lives.

• We believe every athlete should commit to a lifestyle of consistent spiritual growth with honest accountability.

• We believe that every athlete is a minister who has been given gifts to be discovered, developed, and deployed.

• We believe that God is worthy of our very best. Therefore, a growing spirit of excellence should permeate every athletic activity.

• We believe that genuine love and caring relationships are key to the life of every teammate.

• We believe that the most effective evangelism happens through athletes “inviting” people to attend athletic contests.

• We believe in identifying and training emerging leaders through athletic competition who are fully committed to Christ and who will reach their generation with the Gospel.
